# FROM THE CHAIRMAN

Dear SCOCC member

The dust has settled over Eden THS's showgrounds and it's time to pay tribute to the companies and individuals who joined forces to make the George Old Car Show 2023 an "***uno spettacolare motor show***" – one spectacular motor show.

On behalf of the Southern Old Car Club and the George Old Car Show 2023 team, I would like to express my sincere gratitude to all who contributed to the success of the event. Your support was invaluable and we could not have achieved such a resounding success without your help.

A special thanks to our Portfolio managers and all our volunteers who worked tirelessly the months ahead and during the sweltering show days. Your time and energy helped ensure that the event was a memorable experience for all visitors and participants. As Sherry Anderson once said, "Volunteers don't get paid - not because they're worthless, but because they're priceless." Your selfless contributions made a significant impact on the success of the show.

Much was learned during the course of this year's Old Car Show in terms of service providers and requirements of the visiting public. All feedback and suggestions have been noted and will be taken into account during the planning of future events.

Lastly, we look forward to many more decades of celebrating our fabulous old-car heritage and sharing this passion with generations to come. Winston Churchill once said, "We make a living by what we get, but we make a life by what we give." Your contributions to the George Old Car Show 2023 have indeed made a significant impact on the lives of those who attended the event.

Once again, thank you for your support, and we hope to see you again at future events.

Kind regards – ***cordiali saluti***

# FROM THE GOCS COORDINATOR

**George  Ou Motorskou 2023 - Storie – Kameradie - Nalatingskap**

Dit is met nostalgie wat ek terugdink aan die 2023 Ou Motorskou. Oor 'n groot aantal jare het ek die skou bygewoon as 'n lid van die gewone publiek wat met groot bewondering na die voertuie kyk. Die laaste twee jaar het ek die voorreg gehad om deel te wees van die span wat die skou organiseer. Mens sou dus kon sê dat ek vir talle jare van buite af na binne gekyk het en oor die laaste twee jare van binne na buite.

Vandag skryf ek oor my ervaringe van die 2023 George Ou Motorskou deur van binne na buite te kyk. Die groot vraag is: "Waarom is die skou so belangrik"? Drie belangrike redes borrel vinnig na die oppervlak.

"Daar is 'n storie om te vertel. " Ek twyfel of daar 'n enkele voertuig uitgestal was, wat nie 'n storie het om te vertel. Selfs my 1971 Austin Apache vertel 'n storie. In 1974 het ek leer bestuur met 'n Austin Apache, min wetende dat ek 12 jaar later self een sou aanskaf met 'n skamele 9 723 km op die meter. Nou 36 jaar later is ek steeds die eienaar. Uitstallers aan die skou dra met trots hul stories oor aan mede uitstallers en publiek. Dikwels hoor mens vrae soos: "Hoe lank het jy al die motor?", "Wat het jou laat besluit om die motor te koop?", "Waar het jy die motor gekry?"en vele meer vrae. Die hartkamer van die skou is opgesluit in die antwoorde, die stories van uitstallers.

"Niks soos motor kameradie" Van heinde en verre kom die uitstallers, dit is soos 'n reunie. Almal groet mekaar, skud blad, maak 'n grappie en verneem hoe dit tuis gaan. Koppe word instemmend geknik met elke mededeling en soms word 'n traan weggevee as vertel word van oom so en so wat nie meer met ons is nie. Vir dae sit motorskou vrinne en gesels oor motors en menig ander belangrike en onbelangrike sake van die dag. Sondag groet almal half  traag maar met die wete, volgende jaar maak ons weer so. 'n Bond van vriendskap en kameradie is versterk, alles te danke aan die George Ou Motorskou. Motors, die goue draad wat deur die skou loop.

"n Bydra tot nalatingskap" Dit is nou dit, is die woorde wat na vore kom. Klas A voertuie, die Ancestor, gebou voor 31 Desember 1904, Klas B, die Veteran, gebou tussen Januarie 1905 en 31 Desember 1918 en die Klas C, Vintage , gebou tussen Januarie 1919 en 31 Desember 1930. Dan is daar natuurlik nog die Klas D,E en G wat die jare vul tussen 1931 en 1971 met besondere voertuie. Dit is 'n vergange era, dit kan nooit weer nie. Geen toevoeging van voertuige van daardie jare kan meer plaasvind nie. Elke voertuig van daardie era wat van die pad verdwyn, verdwyn vir die nageslag soos plantspesies wat uitgewis word. Uitstallers beskerm voertuie van 'n bepaalde era as nalatingskap vir menig ander om in die toekoms te kan waardeer, vir die nageslag.

Die George Ou Motorskou bring hulde aan elke motor uitstallers met voertuie voor 1971, maar ook aan elke uitstaller met voertuie daarna. Sonder die toewyding van elke motor uitstaller sal daar nie stories wees nie, geen motor kameradie en verseker geen nalatingskap. Maak solank gereed vir die 27ste George Ou Motorskou wat sal plaasvind 10 & 11 Februarie 2024. Hou die geskiedenis lewendig en bewaar dit vir die nageslag.

**1 JANUARY 2023** - The **Champagne & Strawberry affair** was a great way to start the new year. It's always lovely to come together with friends and family to celebrate and make new memories.

**Champagne and strawberries** are certainly a decadent and delightful combination, and it's great to hear that everyone had a good time indulging in them. It is wonderful that members of the **SCOCC** and **Mercedes-Benz Club of South Africa** were able to join in on the festivities.

**George (Garden Route) – February 2023** Hot, hot, HOT: George Old Car Show shows there's no cooling off in the love of automobiles

By 9am on Saturday morning, a crowd comprising thousands of engine enthusiasts had already gathered at Eden Technical High School to gain tickets to the 26th George Old Car Show (GOCS). Those who had already entered the showgrounds, had first dibs on the exquisite site of fields filled with four and two-wheeled participants in this year's show – the annual flagship event of the Southern Cape Old Car Club.

The temperatures, hitting the high 20s by first light and quickly gaining momentum during the morning, did little to keep show-goers at bay, and the brilliant sunlight over both show days on February 11 and 12 did much to show off all carefully restored and pampered machines on display.

Early tallies put the weekend's attendance at 12,500 souls, with 1,500 drivers having entered through the Carpe Diem School gates in a matter of hours on Saturday morning to park their rides and enjoy the spectacle. Thence, they ventured across the road to start salivating over everything on offer at the bristling showgrounds.

For the 17th time, this year's GOCS was preceded by the Vet Tour, participating drivers hailing from all over South Africa but also travelling from faraway shores such as the UK, Canada and Germany. These venerable old cars formed part of the display at the Eden showgrounds, which also featured modern fleets by an array of top marques, tractors and motorcycles of all ages and shapes.

Among the many stalls of food and drinks, bric-a-brac goodies and car-related products, GOCS sponsors featured in full regalia. This year's event was generously supported by premier partners WeBuyCars, and many other businesses are deserving of mention for roles played big and small, according to GOCS chairman Alewijn Dippenaar.

"Protea Hotel's fabulous tent on the main field provided shade and refreshments and a perfect vantage point to the parades that continued throughout both show days and that was perfectly MC'd by Herman Ungerer and Morne Pietersen. Divan de Kock's slick Herotel crew enabled live-streaming of events to Raceday TV with aplomb," adds Dippenaar.

He also thanks George Municipality, Coke, SAB, George Herald and Midas for their support in pulling this year's event together and doing what they do best in their various capacities, so making the weekend a roaring success.

"On behalf of the Southern Cape Old Car Club, I thank each visitor, partner and member of our support crews for helping us to promote our passion of preserving old cars – for the sheer enjoyment of generations to come."

# 2023 Kaapse Rondomtalie Toer

Philip Kuschke & Philip Rosse

Die George Oumotorskou word deur baie as een van die beste Oumotorskoue in die land gereken en trek entoesiaste van reg oor die land. Vele toere deur klubs word jaarliks in Februarie vanaf die uithoeke van die land beplan, met net een eindbestemming - die George Oumotorskou.

In 2005 het Harvey Medcalf van die Crankhandle Klub in Kaapstad so 'n toer met veteraan-voertuie na George gereël. 'n Paar van die SKOMK-manne met hul oumotors het die Kaapse manne die Vrydag voor die skou by Grootbrakriver ontmoet. Ons het as konvooi, onder verkeersbegeleiding – met skou-plakkate op die motors - George binne gery, om só bemarking te doen vir die George Oumotorskou.

Die gedagte het toe by die skrywer opgekom om 'n VETERAANTOER as 'n een-dag byeenkoms net vóór die George Oumotorskou te reël. In 2006 word die eerste VETTOER vanaf Prince Albert gereël. Die VETTOER begin dan die Donderdagaand voor die George Oumotorskou, wanneer deelnemers van oral oor arriveer. Die Vrydag word daar 'n roete van tussen 180 km tot 225 km gery, wat in George eindig.

Die Kalkbaaitoer – 'n herdenkingstoer van een van die eerste georganiseerde motorbyeenkomste in Suid-Afrika, vind tradisioneel die Sondag voor die George Oumotorskou plaas. Dus, die Kalkbaaitoer, die VETTOER en George Oumotorskou vind binne bestek van een week plaas.

Vir oumotor-entoesiaste wat van ver kom, is dit die ideale geleentheid om drie byeenkomste by te woon, wat die reiskoste van ver, regverdig.

In 2020 het ek en Phillip Rosser die Kalkbaaitoer bygewoon. Ons het ons T Fords per sleepwa na Kaapstad geneem. Peter Truter, lid van die Crankhandle Klub, het 'n terugrit vir die oumotors vanaf Kaapstad na George gereël. Die dilemma wat ek en Phillip Rosser gehad het, was om die logistiek van ons moderne voertuie met sleepwaens uit te sorteer – ons is nou in die T Fords en ons moderne voertuie én ons sleepwaens moes terug George toe.

In 2021 het COVID-19 se inperkinge steeds gegeld, en daar was geen skou nie.

Om in 2022 toe die logistieke nagmerrie van 2020 met die moderne voertuie te vermy, het Phillip Rosser met die idee gekom dat ons met die Model T Fords Kaapstad toe moet ry, die Kalkbaaitoer op Sondag doen, en dan die daaropvolgende Donderdagaand by die tradisionele VETTOER aansluit. Die Vrydag volg die VETTOER en Saterdag en Sondag dan die George Oumotorskou. Dit was dan die begin van die "Kaapse Rondomtalie Toer".

Dit is wonderlik dat drie klubs, naamlik die SKOMK, die Crankhandle Klub in Kaapstad en die Model T Ford Klub van Suid-Afrika, so nóu kan saamwerk om die Kaapse Rondomtalie Toer moontlik te maak. 'n Woord van dank aan die Suid-Kaap Oumotorklub vir die ondersteuning en hulp met die 2023-toer.

Dié toer is dan ook gebruik as deel van die **SKOMK** se bemarkingstrategie vir die **George Oumotorskou. Mimi Finestone** het tydens die afgelope twee Rondomtalie toere verskeie onderhoude met radiostasies en TV-kanale gereël wat tydens die toer met my onderhoude gevoer het, in 'n poging om die skou landwyd te bemark. Verskeie van die voertuie het tydens die rondomtalie toer skouplakkate opgehad as deel van die skou-bewusmakingstrategie.

Philip Kuschke & Philip Rosse

VETTOER

**Dag 1. Die wegspring uit George**

Die groot dag het aangebreek, **Vrydag 3 Februarie 2023** – die begin van ons 1600 km rit na Kaapstad en terug na George. Die voertuie begin die tog in George: Philip en Rosita Kuschke in hulle 1915 Model T Ford, Phillip en Amanda Rosser met hulle 1926 Model T Ford en Hennie en Corné Marx van Bethlehem in hulle 1930 Model T Ford.

In Grootbrakrivier ontmoet ons die ander drie deelnemers: Ockert en Dienkie van der Berg in hulle 1915 Model T Ford bakkie, Kevin Casey in sy 1911 Model T Ford, asook Ali van Jaarsveld met haar 1907 Model S Ford. Dit was waarlik 'n groot verrassing toe vele SKOMK-lede ons daar kom afsien het. Dankie aan elkeen van julle wat ons kom afsien het!

By PetroSA ontmoet ons toe die laaste deelnemer van ons groep, Bill en Juliana Lance in hulle 1926 Model T Ford. Bill en Juliana is woonagtig in Benoni.

Bredasdorp was ons bestemming vir dag een.

Ons het om veiligheidsredes so ver moontlik die hoofpaaie probeer vermy, hoewel ons dit nie altyd kon regkry nie. Ons gemiddelde spoed was tussen 50 km en 55 km per uur - beslis nie geskik vir die hoofpaaie nie!

'n Welkome stop was op Heidelberg vir brandstof en ietsie te ete. Die motors, bestuurders en passasiers is nog vol energie en lewenslus.

Na 'n lang ent op die N2, draai ons net na Swellendam weg na Bredasdorp. In Bredasdorp ontmoet ons vir Gert Albertyn wat ons met sy Model A Ford kom groet het. Gert woon in Bredasdorp. Na 'n paar aankopies vir aandete, is ons oppad na die Rondeheuwel Gasteplaas, 10 km buite Bredasdorp. Die vreugdevure brand hoog, moeg maar tevrede na die eerste 320 km.

**Dag 2. Bredasdorp na die Crankhandle Klub in Kaapstad**

Vroeg Saterdagoggend vertrek ons vanaf die Rondeheuwel Gasteplaas na "Marietjie's Pub and Grill" in Baardskeerdersbos. Wees gewaarsku, bestel maar gerus hulle "klein" ontbyt. Die groot ontbyt is waarlik waar 'n GROOOT aptyt.

Ons het al langs die kus via Gansbaai, Stanford, Hermanus, Kleinmond en Gordonsbaai gery, waarna ons weer die N2 én die R300 se verkeer moes trotseer tot by die Crankhandle Klub in Wynberg, Kaapstad. Ons afstand vir dag twee vanaf Bredasdorp tot in Kaapstad was 265 kilometer.
Die Saterdagaand voor die Kalkbaairit op die Sondag, is tradisioneel 'n kuier-aand by die Crankhandle Klubhuis. Tydens hierdie geleentheid gee Derek Stuart-Findlay gewoonlik 'n baie interessante lesing oor spesifieke aspekte van ons motor-erfenis. Die lesing wat hy gegee het, het gehandel oor die eerste gedokumenteerde rit deur drie mans wat in 1905 per motor vanaf Kaapstad na Port Elizabeth, en met 'n ompad terug Kaapstad toe getoer het. Die kwaliteit van die foto's wat 117 jaar oud is, was ongelooflik duidelik.

VETTOER

**Dag 3. Die Kalkbaairit**

Deelname aan die Kalkbaairit word streng beperk tot veteraan voertuie, dit wil sê voertuie wat vervaardig is vóór 31 Desember 1918. Daarom kon Phillip Rosser, Hennie Marx en Bill Lance nie aan die toer deelneem nie, maar daar was tog 'n oplossing. Die Crankhandle Klub het vir lede wat nie aan die Kalkbaairit kan deelneem nie, 'n ontbyt-byeenkoms gereël. Die Dixie's Restaurant is op die roete waarlangs al die veteraan motors/motorfietse ry. Só kon die nie-deelnemers al die verbygaande voertuie bewonder. Die veteraan-groep het in Simonstad geëindig met 'n heerlike middagete.

Die afstand van hierdie roete was 100 km, maar Rosita en ek het ná middagete na Wellington vertrek waar ons Sondagaand oornag het. Die res van ons groepie, het in Kaapstad oornag. Die totale afstand vir ons daardie Sondag was 185 kilometer.

**Dag 4. Kaapstad/Wellington na Slanghoek**

Teen middagete Maandag 6 Februarie, het die groep weer by die Old Tannery in Wellington byeengekom. Hierdie is 'n pragtige plek om te besoek met al sy snuffel-winkels, eetplekkies en plaaslike brouery. Tans is een van die MTFKSA-lede besig om hier 'n klein Model T Ford Museum met 'n koffiekroeg te open.

Verskeie ander voertuie het intussen aangesluit, waaronder die 1911 Model T Ford van Eric Edwards van Kanada. Met groot opgewondenheid het die groep vertrek om die pragtige Bainskloofpas oor te steek – wat 'n wonderlike ervaring was dit nie! Ons het vir die volgende twee nagte by die Slanghoek Mountain Resort naby Rawsonville oornag.

**Die totale afstand van die dag was 90 kilometer.**

**Dag 5. Slanghoek en omgewing**

Dag 5 was 'n dag waarop ons self kon besluit waar ons wou toer. Ali van Jaarsveld, 'n wel-erkende kunstenares, beywer haar, in samewerking met die Painted Wolf Winery, om geld in te vorder vir bedreigde wildspesies. Ali in haar 1907 Model S Ford en ons groepie het haar vergesel na die Painted Wolf Winery. Ons is die Du Toitskloofpas oor, en wat 'n wonderlike gesig was dit nie gewees nie! Ná middagete is ons met dieselfde pad oor die Du Toitskloofpas, terug na Slanghoek.

**Die totale afstand vir die dag was 130 kilometer.**

**Dag 6. Slanghoek na Barrydale**

Die Kaapse Rondomtalie groep het nou baie mooi aangegroei, en verskeie manne van die Kaap wat ook die VETTOER sou doen, het aangesluit. Deelnemers oppad na George raak nou meer, o.a. Ryan Walker (1912 Rover Colonial) en Gert Albertyn (1930 Model A Ford), Leonard Schneider (1928 Hubmobile), Gavin Allison, Peter Truter (1930 Model A Ford) het by ons aangesluit.

Ons is met 'n agterpad om Rawsonville en agter verby Worcester, deur Ashton en daarna het ons by die R62 aangesluit, deur Montagu oppad na Barrydale. **'n Afstand van 165 kilometer was die totale kilometers vir die dag**.

Die middag het ons heerlik by die Karoo Art Hotel gekuier, waar al die voertuie geparkeer was. Byna die hele Barrydale was daar om die oumotors te bewonder.

**Dag 7. Barrydale na Klaarstroom**

Ons is nou oppad na Klaarstroom. Ons volg steeds die R62 oppad via Ladismith, Zoar en dan die rugbreker van 'n Huisrivierpas, Calitzdorp, Oudsthoorn na Klaarstroom.

Die Huisrivierpas was voorwaar 'n rugbreker vir ons ou voertuie - die opdraende het net aangehou en aangehou!

**Die totale afstand vir die dag was 235 kilometer.**

In Klaarstroom is ons hartlik ontvang deur een van ons klublede, Jeremy Witts-Hewitson. Dit het nogal meet en pas gekos om vir 50 persone slaapplek in Klaarstroom te kon kry!

# 2023 Kaapse Rondomtalie Toer

Philip Kuschke & Philip Rosse

Na 'n heerlike Karoo-vleisbraai en samesyn is al die deelnemers tevrede na hul onderskeie slaapplekkies in Klaarstroom. Die amptelike begin van ons sewentiende VETTOER wat trots ondersteun is deur Apprentice en die Scribs Benzeum, is nou onderweg.

**Dag 8. Klaarstroom via Uniondale na George**

Die laaste trek na George lê nog voor, 'n volle 220 km. Die roete neem ons deur die asemrowende Meiringspoort, waar baie van die deelnemers gestop het om die pragtige natuurskoon te bewonder. Die roete neem ons na Uniondale, oor die Potjiesbergpas oppad na George. Om die Outeniquapas oor te ry in jou afslaankap motor is altyd 'n hoogtepunt!

Honger maar baie tevrede, stop ons by die Apprentice Restaurant naby die lughawe vir 'n sprokie-middagete by ons borge. Hierdie restaurant is beslis 'n plek wat ons meer gereeld moet ondersteun.

Teen laatmiddag het al die deelnemers by die klubhuis ontmoet. Hier is die kuier voortgesit wat ons die vorige aand nie kon voltooi nie. 'n Woord van groot dank aan Waldo en René Scribante wat hierdie hoogtepunt moontlik gemaak het deur 'n heerlike spitbraai-ete vir alle deelnemers te borg. Hierdie geselligheid verleen baie aansien en waarde aan die VETTOER. Nogmaals baie dankie Waldo en René!

Alle eer aan ons HEER vir 'n 1600 km rit wat veilig afgeloop het; waar daar ware vriendskappe gesmee is; waar daar nuwe waardering vir die betroubaarheid van ons voertuie ontstaan het en waar ons die pragtige natuurskoon van ons land weer kon ervaar!

Driving a 1913 Benz on the Southern Cape Old Car Club's Vettoer is an incredible experience! It is humbling to be behind the wheel of such a historic vehicle and to be among other veteran cars and their owners.

Meiringspoort is a beautiful location to take the car for a spin, and it's great to report that Waldo and I had a wonderful time.

# *Acting Chairman's Chatter*

Well here we are – almost a quarter of the way through the 2023 Year – with East- er just around the corner.

Arrangements for the 2023 Fragram Natal Classic to be held on 19 May 2023 are well under way – with Derek Pirie and his team of Organizer's working feverishly to ensure that all the preparations for and during the Event run smoothly. Our best wishes to Derek and the CMCN for another successful event.

The DJ Commemorative Rally – now in it's 53rd year – has come and gone, with lots of eager chatter amongst the various Competitor's about participating in next year's event. The Winners spoils this year went to Mike Ward – riding a Velocette, closely followed by Martin Kaiser in 2nd Position - on a Sunbeam, Gavin Walton in 3rd on his trusty AJS, with brother Kevin Walton in 4th on his BSA Sloper. Neville Smith was the oldest rider to participate in the DJ at 88 years old, riding a Rudge. Well done guy's – and to all the Finisher's – a fantastic achievement and a wonderful way to " Commemorate " those daring and brave men of yesteryear.

Planning has already commenced for the 36th Fairest Cape Tour – to be held at Goudini Spa near Worcester/Rawsonville in November. This will be preceded by the Crankhandle Club's Houw Hoek Run, followed almost immediately by the Veteran and Vintage Tour being hosted by the Model T ford Club of SA – based at the Middelplass Guest Farm in Paarl.

Yet another vibrant and active year ahead is forecast for all the Clubs – with Pietermaritzburg's Vintage Sports Car 'Club Cars in the Park' being planned, together with the massive Cars in the Park hosted by the POMC at Zwartkops, plus the Magnum Rally – etc. keeping the two and four wheels moving.

Best wishes to all for Easter. If driving, or riding, be vigilant, take care, and stay safe.

# *Soms is dit makliker om totsiens te sé as ander kere.*

Daar is mense in ons almal se lewe en dan is daar ekstra spesiale mense in ons almal se lewe.

Die individue maak n verskil in die lewe deur hul opregtheid, belangstelling en optrede. **Brian Zechlin is een van die spesiales**.

Brian het diep spore getrap in die Karoo en sy mense se harte. Altyd reg met n storie of 6 van toentertyd tot nou wat almal aan die luister het met groot afwagting.

Sy briee kennis van alles in die lewe, nie net motors nie, is die groot trekpleister wat almal na hom toe aantrek. Hy is ook die man wat al vir jare sorg dat die ou kar manne (en vroue) van Beaufort-Wes bymekaar kom, die enjins bietjie laat loop en 'n lekker gesels sessie inwerk.

**Defnitief die gom wat ons almal bymekaar hou.**

Menigte aande laat is daar nog na Brian toe gery om een se kar reg te kry voor n outing more oggend.

Brian verhuis eersdaags na Montagu. So tussen sy pakkery deur sien hy nog kans om gou vir oulaas iemand se motor te diens.

Ons hier in die Karoo sal horn beslis mis, maar hy bly vir altyd deel van ons groep en vir altyd ons eie Burgermeester van die Groot Karoo.

Totsiens, maar nie vaarwel
